ONE DAY NATIONAL CONFERENCE

on
"ARTIFICIAL INTELLIGENCE APPLICATIONS"
Sharing the Future with AI

25th October 2025

Organized by
Dept. of Computer Science

In Association with
IQAC

Dear Sir/Madam

The Department of Computer Science cordially invite you to One Day National Conference on "**Artificial Intelligence Applications**" - Sharing the Future with AI on 25th October 2025. Eminent academicians, professionals will take part in the Conference. Faculty members, Professionals, Research Scholars and Students are invited to participate in the Program.

JSS Mahavidyapeetha

JSS Mahavidyapeetha was founded by His Holiness Jagadguru Dr. Sri Shivarathri Rajendra Mahaswamiji in 1954 with the objective of providing education and healthcare especially to the rural mass. JSS Mahavidyapeetha, under the able guidance of the present President, His Holiness Jagadguru Sri Shivarathri Deshikendra Mahaswamiji, runs more than 350 institutions in India and abroad. The range of institutions includes Sanskrit Pathashalas, Hostels, Free Education Schools, Public Schools, PU and Degree Colleges, PG Centers, Agricultural Research Centers, Hospitals, Nursing, Academy of Higher Education and Research & Science and Technology University and so on.

JSS College for Women (Autonomous)

JSS College for Women, established in the year 1970, is offering Undergraduate, Postgraduate Programmes, Certificate, Diploma and Advanced Diploma Courses. Set in a sylvan surrounding, the college has modern academic infrastructure and facilities. It has grown into one of the premier Institutions of Higher Education in Mysuru. University of Mysore recognized Research Centre in Commerce, English, Chemistry and History. Recognizing the quality of education being disseminated by the College, it has been conferred with Autonomous Status and Re- accredited by NAAC with 'A' grade CGPA 3.07.

Department of Computer Science

With the aim of delivering high-quality education in the field of computer science, the Department of Computer Science was established in the year 1998. Here, the Employers' requirement for a cross-disciplinary approach is met by the computer-science-focused curriculum. There are few things that put programming in perspective and help students succeed in any field in the future. The department contains well equipped computer laboratories.

About the Conference

The National Conference on AI Applications provides a platform for Academicians, Researchers, Industry professionals and Students to share knowledge and innovations in the field of Artificial Intelligence. The conference focuses on emerging trends and real-world applications of AI in diverse areas such as Healthcare, Education, Finance, Agriculture, Robotics, and Smart Cities. It aims to foster Collaboration, Inspire innovation, and promote interdisciplinary research that bridges the gap between Academia and Industry.

About Conference Theme

- ❖ AI in Industry and Emerging Technologies
- ❖ AI in Education & Research
- ❖ AI in Healthcare & Agriculture
- ❖ AI in Business & Finance
- ❖ AI in Environment & Sustainability
- ❖ AI in Daily Life & Consumer Applications
- ❖ Emerging Issues & Ethics in AI
