Minutes of Governing Body Meetings(Related to research activities)

- 1) The faculties who present paper in seminars and conferences are provided with benefits like registration fee, publication fee and travelling expenditure.
- 2) The management has made it compulsory for every teaching faculty to publish at least one research paper per year.
- 3) The faculty, who is at the final stage of submission of thesis, is granted leave without breakup of service. This noble gesture has enabled the faculty to complete and submit thesis on time.
- 4) The successful PhD awardees would be felicitated at the meetings of Governing Body and Academic Council.
