

A REPORT ON WORKSHOP

Research Ethics – Prevention of Plagiarism

A workshop for the benefit of staff and research scholars was on the topic **‘Research Ethics – Prevention of Plagiarism’** arranged by the college on 27-11-2021. The speaker was Dr. C P Ramasesh, Rtd., librarian, Mysore university library, Mysuru.

The talk was highly informative and useful to the research scholars and staff who would like to publish papers. He spoke about the care during analyzing and monitor quality and how to overcome research misconduct, types of misconduct like fabrication, falsification, plagiarism, failures to get ethical approval, incomplete data/ missing data, not exposing data and findings on side effects, conducting research on human beings without prior consent. The speaker gave tips to prevent plagiarism which was very useful for the research scholars who are doing research and at the stage of submission of their thesis. He also mentioned different softwares used to check the plagiarism. The speaker explained the repercussions of plagiarism to the audience. He clarified few doubts which arose from the audience side.

Dr. K V Suresha, Principal presided the occasion and Dr. H B Suresh, Dean (Academic) was present JSSCW (Autonomous), Saraswathipuram, Mysuru- 9 was present.
