Research Ethics Committee-2021-2022

PROCEEDINGS

The meeting Research ethics committee was held on 11th January 2022. The committee looked into the research articles to be published. Around 42 papers were reviewed. few of the papers were having integrity and those papers were identified and corrections were suggested.

The ethics committee used to insist upon the researchers in getting plagiarism checked from authorised agencies like university or any other free source and submit the report. After cross checking and getting satisfied about to give permission for publication of research work.
