Report on Webinar on the topic “Research Methodology -Report Writing”

The Postgraduate Departments of Commerce, Chemistry and Economics had organized the last series of National Level Webinar Workshop on Research methodology. The **forth session** was held on 8th December 2021 on the topic “**Report Writing**”. The webinar was held on streamyard platform and was streamed live on YouTube at 2:30 pm. More than 150 participants had registered to the program. The webinar has a total of 207 views on YouTube.

Dr. Dinesh Kumar Nauriyal by taking up many contemporary examples deliberately explained the process of report writing. He stated that Report Writing as a formal style of writing elaborately on the research topic. he explained that the tone of a report should be always formal. The audience it is meant for should always be a thought out section. Reports are written with much analysis. The purpose of report writing is essential to inform the reader about a topic, and the researcher’s opinion on the topic. A research report should simply be a portrayal of facts, as it is. Even if one gives inferences, solid analysis, charts, tables and data should be provided to supplement one’s research findings.

The webinar has received very good feedback from its participants. The program was chaired by the Principal Dr. K V Suresha and Dr. H B Suresh, Dean Academics welcomed the resource person and other participants to the webinar. Dr. Asha G S, HOD, Postgraduate Department of Commerce introduced the resource person and proposed the vote of thanks to the event.
