COLLEGE EXTENSION SERVICES
DEPARTMENT OF BIOCHEMISTRY

Date : -20/08/2025

Place : AV Room

Mode : offline

Name and Designation of Resource Person: Bhargava C S, Assistant Professor, Department of Biochemistry, Government Science College, Hassan.

Topic*: Diabetes Mellitus*

Number of beneficiary : 136

Objective of the program: The main objective of a workshop on Diabetes mellitus is to enhance awareness, knowledge, and practical skills for managing diabetes through education, empowerment, and structured training of healthcare professionals and patients.

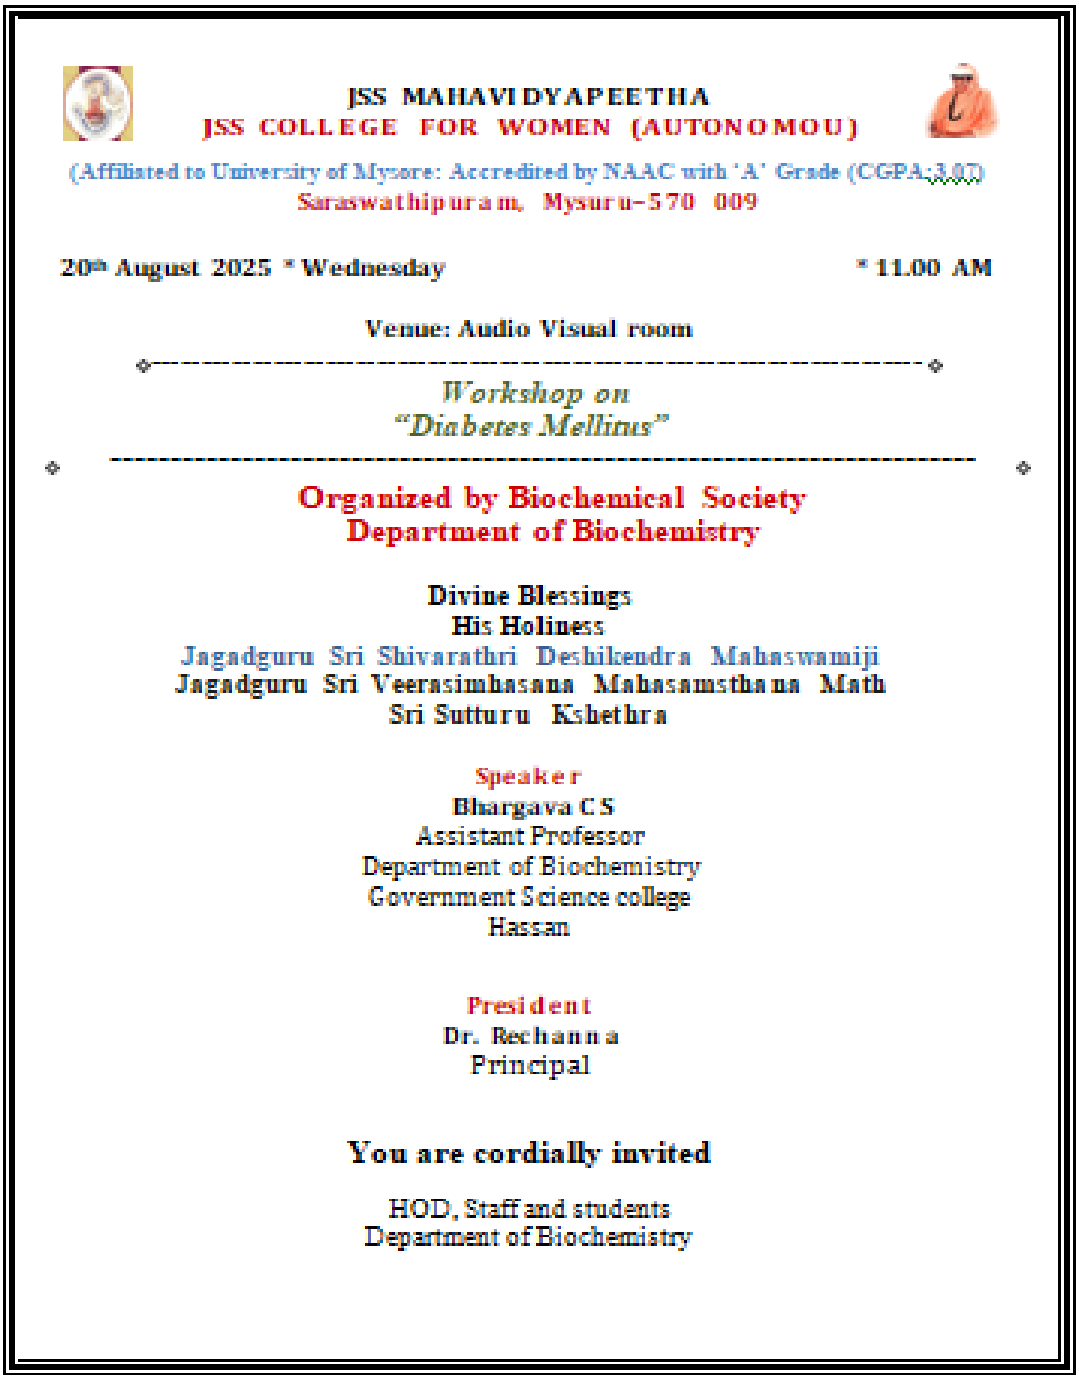

Brief write up of the program :

Workshop on Diabetes mellitus : workshop was organized by the Biochemical society, Department of Biochemistry on 20th August 2025 at JSS college for women, Sarawathipuram. Bhargava C S, Assistant Professor, Department of Biochemistry, Government Science College, enlightened the students about diabetes and its etiology, symptoms and preventation methods.

Workshop typically covers key components such as monitoring blood glucose, lifestyle management including diet and exercise, medication management, and preventing complications. The workshop also emphasizes the importance of patient education, empowering individuals to take control of their condition, and fostering a collaborative approach to long-term health management. In essence, the primary goal of such a workshop is to enhance clinical skills, update knowledge on the latest diabetes care

strategies, and promote self-management, ultimately leading to better health outcomes for people with diabetes
